**04 First aid measures****• 4.1 Description of first aid measures****• General information**

Instantly remove any clothing soiled by the product.  
Personal protection for the First Aider.

**• After inhalation**

Supply fresh air or oxygen; call for doctor.  
In the case of breathing difficulties have the casualty inhale oxygen.

**• After skin contact**

Instantly wash with water and soap and rinse thoroughly.

**• After eye contact**

Rinse opened eye for several minutes under running water. Then consult doctor.  
Use eye protection.  
Seek medical treatment.

**• After swallowing**

Rinse out mouth.  
Drink copious amounts of water and provide fresh air. Instantly call for doctor.  
Do not induce vomiting; instantly call for medical help.  
During spontaneous vomiting hold the head of the casualty onto low with the body in a prone position in order to avoid the penetration of vomit into the air tube.

**• Information for doctor**

Typical caustic burns. Symptoms of acute poisoning: The local damage proceeds very quickly, initially without any or little (inadequate!) sensation of pain. Eyes: in particular damage to the conjunctives, cornea, sclera (edema, ulceration/perforation, opacity of the cornea), more seldom even to the retina and choroidea; there is a danger of blindness! Skin: erythema -> erosion with swelling of the tissue showing soft, gelatinous surface (colliquative necrosis), -> deficient skin function (rule of nines!) Inhalation: tussive irritation, following massive inhalation possible dyspnoea, stridor, danger of laryngospasm/glottic edema, pulmonary edema, bronchopneumonia Ingestion: painful reddening/glassy swelling of the mucous membranes of the mouth/tongue (however, signs of corrosion can also be absent!); pain behind the sternum and in the epigastrium, dysphagia, under certain circumstances emesis (danger of aspiration); in serious cases rapid entry of collapse/shock (sometimes fatal); Information see: GESTIS-database on hazardous substances [www.hvbg.de/bgja/gestis-database](http://www.hvbg.de/bgja/gestis-database)
